

# Ahrend Balance

Designer: Marck Haans

## Create your own Office Lifestyle

Ahrend Balance is Ahrend's most modular and sustainable workplace concept and responds to increasing demand for customised work environments. These environments embrace the latest ideas in Activity Based Working while facilitating the desired identity, culture and dynamics of an organisation.

### Timeless and sustainable design

- › Slender design and stable construction, winner of a Good Industrial Design (GIO) award.
- › Designed according to circular principles, completely recyclable and Cradle to Cradle Certified™ Silver
- › Monotop tabletop with seamlessly lasered edging

### Innovative and easy to use

- › Easy assembly, with 1.2 million different configurations in three easy steps
- › Worktop can be easily assembled and disassembled using the patented 'Quick-fix' mechanism
- › Smart cable management

### Healthy and Activity Based Working

- › Complies with and exceeds all ergonomic standards
- › Comes standard in non-toxic paints
- › Can be adapted to all ways of working, from concentration to a collaboration
- › Integrated slender sit/stand solutions that encourage healthy, creative and productive working

- › Optimal balance between design, ergonomics and functionality
- › Beautiful optional extras such as the integrated Kelvin lamp by Flos, Linotop worktops and Kvadrat fabrics complete the picture

*“The modular approach of Ahrend Balance means organisations can quickly and easily adapt to their changing workplaces”*

### **More information:**

### Design

- › Steel frame and legs with aluminium leg couplings
- › Powder-coated legs, in C-, I-, duo and slab version
- › Choice between 11 different colours and 4 trend colours
- › 18 mm Monotop or 12 mm Ciranol worktops
- › Patented coupling mechanism for the leg and tabletop

### Standards

- › NPR 1813; NEN-EN 527-1,2 and 3; GS Zeichen and Ansi Bifma M7.1

### Ergonomics

- › Fixed height at 74 cm
- › Height-adjustable (62-88 cm) using a knob or set screw
- › Height-adjustable (62-88 cm) using a retractable handle
- › Electrically height-adjustable (62-88 cm) at the click of a switch
- › Sit/stand option can be adjusted electrically (65-130 cm), quickly (40 mm/s) and noiselessly
- › Numerous tabletop shapes and dimensions available
- › Width of 2-legged tabletop: 80, 90 and 100 cm
- › Standard nontoxic lacquers

### Options

- › Full range of cabling
- › Covered duct down the centre for duo workplaces
- › Cable ducts and cable guides attached to the tabletop frame
- › Ahrend PuK wireless smartphone charger
- › Clean desk drawer
- › Desktop mounted Flo Kelvin LED lamp
- › CPU holders and monitor arms
- › Matching steel and upholstered screens
- › Matching storage units

Ahrend. A Cradle to Cradle company  
Creating safe products and healthy environments

Ahrend is the most sustainable company in its sector in Europe and has set itself the goal of closing the full production cycle by 2020. Ahrend produces climate-neutral products, using the principles of Cradle to Cradle and Eco-design, with the efficient use and reuse of materials.
