Monika Hegedúšová, M.Sc.
Deputy Head of Certification Body

Enclosure No. 1 to the Certificate No. 100-063183

Certificate validity and use conditions:

1. The conformity certificate must be used only for purposes which it was issued for.
2. The product certified must be constantly in accordance with technical specification
3. The certificate holder is obliged:
 - a) to inform the Certification Body about all changes: products or production process modifications, material changes, changes of production control system, that have an effect on conformity of the product certificated;
 - b) to report the Certification Body on changes in the ownership, structure or management;
 - c) to keep records on complaints concerning disconformity of the product certificated with requirements of relevant standards;
 - d) to take adequate measures to eliminate disconformity and to document measures taken;
 - e) to submit the above mentioned records on complaints to the Certification Body on its request;
4. The Certification Body executes the repeated product evaluation in case of changes having influence on product properties or changes of technical specifications.
5. The applicant is entitled to appeal against this certificate to the Technical and Test Institute for Construction Prague (TZÚS), s.p., Quality Management Department, within 15 days after receipt of this certificate.

This enclosure is an integral part of the certificate No. 100-063183

České Budějovice, 10th July 2019
